1 S&V imports high quality spices and herbs and sells them to local restaurants and shops. S&V wants to increase added value. It is a business partnership so its owners do not have limited liability. One of the partners, Serena, is worried that supplies from some countries do not arrive on time or the wrong items are delivered. She said: 'S&V cannot have communication barriers with its many suppliers. In addition, our customers demand up-to-date information about spices and herbs that are in season.' Serena has to decide whether e-mail is the best way to communicate with S&V's customers.
